

Utopia Martini & Tapas Lounge offers cross-cultural menu

Utopia Martini & Tapas Lounge has opened at 840 Marietta St. for lunch and dinner daily. Opened by the husband and wife team of Donny and La Mui, Utopia offers a cross-cultural menu that has something for everyone – including a lunch buffet brimming with sushi, salads, fajitas and other items, a romantic fondue dinner for two, or a late night bite.

Located on the lower level of Utopia is Shangri-La, a unique, sleek and ultra-chic event space that is perfect for a variety of celebrations, including rehearsal dinners, meetings, fashion shows and new product launches.
